

How to Switch Muncicity Android Themes

This document describes how to switch between light and dark themes in the Muncicity Android application.

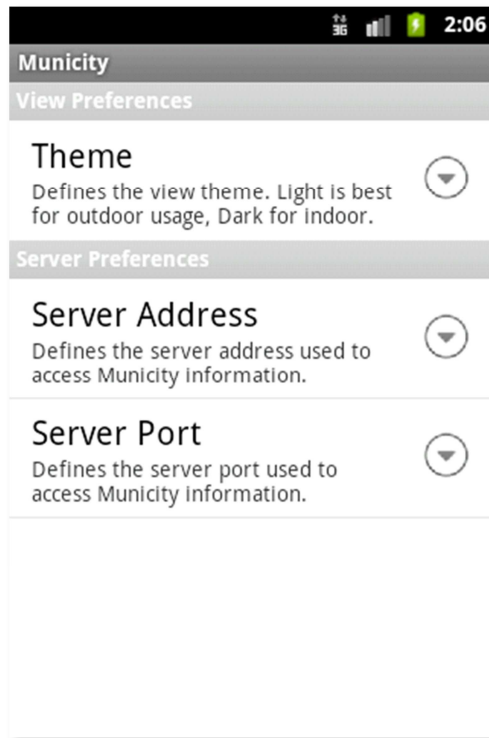

1. Go to the Login Screen. **THE THEME FEATURE IS ONLY AVAILABLE IN THE LOGIN PREFERENCES.**

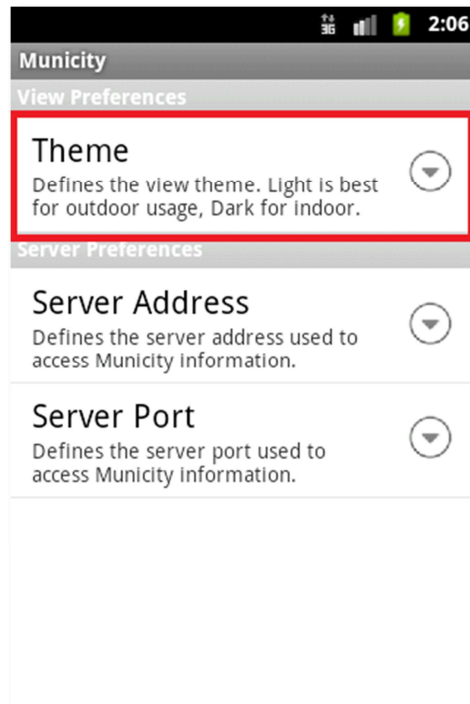

2. Select Settings from the device menu; Preferences will appear.

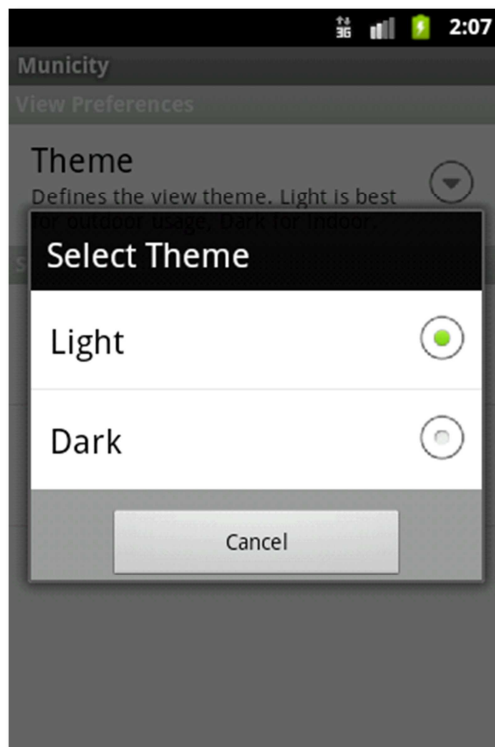

3. Select Preferences on the screen

4. Select Theme from the preferences

5. Choose your theme

6. Exit. The theme will change instantly.
