

What's New in Municipity Mobile for Android™ v3.4.8?

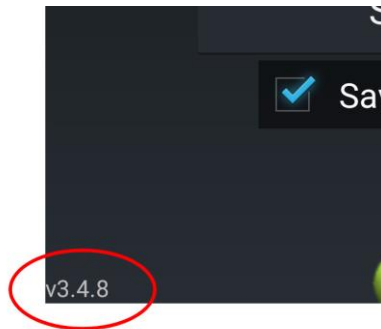

So What's New?

The v3.4.8 release upgrades the application configuration so that Android 5.0 devices will properly request use of the GPS hardware. This update is required based on a recent Google Play alert.

How to Update

OK, be sure that the 3.4.8 version of the Municipity Mobile for Android application is installed on your Android device. You may already be configured to download updates automatically. The version is located in the lower-left corner of the login page.

If not, simply download this latest version from [Google Play](#).

Enjoy,
